Applications for scholarships under sections IV, V and VI shall be submitted to the Director by the head or manager of the institution from which the student went up for the examination through the head or manager of the institution in which he intends to study.

In the case of technical or industrial scholarships awardable under section VII, the same procedure shall be observed, all applications being submitted to the Inspector of Technical Schools, Madras, in the case of technical and industrial schools for boys and to the Inspectress of Girls' Schools concerned in the case of such schools for girls.

PRIVATE ADVERTISEMENTS.

UNCOVENANTED SERVICE FAMILY PENSION FUND.

NOTICE is hereby given that in pursuance of a requisition of twelve qualified subscribers to the Uncovenanted Service Family Pension Fund (resident in England) a special meeting of the subscribers to the fund will be held in the Town Hall on Saturday the 12th June 1909 at 3 P.M. to consider the advisability of referring again to the general body of subscribers the revision and amendment of the proviso added to Rule 64 by Circular No. 1 of the 16th April 1897.

Under the above proviso every subscriber's share of surplus at the commencement of each year was restricted to an amount not exceeding his registered annual subscription, any surplus in excess of this limit being held over for addition to the surplus to be distributed in the following year, instead of being available for refund to the subscriber concerned in cash or for enhancement of the pension secured.

The requisitionists propose that the above proviso be repealed in view to a reversion to the practice of treating excess surplus as available for refund in cash or for enhancement of the pension secured.

Subscribers who cannot attend the above meeting have the right to vote by proxy; the votes to be valid should be stamped with a one-anna stamp and registered in this office not later than the 9th June 1909.
